

Newsletter The Innofac Show 2021

The 2-day event witnessed all kinds of innovations, new and effective strategies, different perspectives, revolutionary new products, new relationships among enterprises and professionals in the Hospitality & Entertainment industry. It was a successful, safe and fruitful event.

Day 1:

Keynote Address

Josh Linker, the innovation genius, explained how anyone can weave innovation in life and work. Audience learned how 'small steps' can bring about a HUGE REVOLUTION in the world.

Knowledge Sessions

These sessions were graced by reputed names like Michael Lee Sherwood, Pawel Pietrasienski, Khristina Quigley, Mili Majumdar, Jonathan Hayes, Glenn Haussman, Calvin Tilokee, etc. Needless to say, their presentations and unique perspectives delighted the attendance.

They talked about crucial topics such as the government's role, employees hiring & retention, winning customers' confidence, building control systems, cross-training, hybrid work models, sustainability, cybersecurity, etc.

Other Key Highlights:

- The Networking Sessions Broke All Records!
- The Entire Industry Tuned-in to Collaborate and Share Ideas
- A Feeling Of Positivity Left All Participants Spell Bound
- Product Demonstrations by Cirq+ and Stay My Way

Day 2 :

Keynote Address

The excitement continued on Day 2! Nina Sossamon-Pogue kicked off the show with a hugely impressive Keynote Address. Many attendees were inspired to take their lives in the right direction. But the knowledge revolution didn't stop there! The upcoming sessions discussed important topics like market recovery strategies, importance of data analysis in understanding guests' behaviour, robotics, cleaning & hygiene, asset management, etc.

The knowledge panel included reputed names such as Dr. Peter Ricci, Steve Arehart, Dr. Andy Cooper, Are Morch, Holly Stiel, Elle Rustique, Yani Deros, Roger A. Allen, and many more.

Other Key Highlights:

- Networking Lead to Industry-changing Business Collaborations
- Production Demonstrations by Halo and Purlin
- The Attendance Increased on the Second Day
